AML / CFT POLICY - EXTRACT

Policy version: 2.1
Approved on: 12-Sep-2025
Owner: Farhan Qureshi-Menon

Risk rating	Refresh cycle	Due diligence
High	1 year	Enhanced, senior management approval
Medium	2 years (PEP-linked: annual)	Enhanced where PEP-linked
Low	3 years	Standard / simplified where permitted

Capital-call gate: no drawdown notice is issued to an investor whose KYC status is not Complete, unless a refresh is merely falling due after the call date.

Suspicious transaction reports are raised by the Principal Officer and filed through FINGate within the prescribed time; tipping-off is prohibited.
